

The Africa University Ubuntu Gathering Center

The goal for the Africa University Ubuntu Gathering Center is \$500,000. Our campaign began in the Grand Rapids District this spring and will extend into the rest of the West Michigan Conference this fall. We will be asking each church in the Conference to take an offering on Sunday morning. Churches and individuals who pledge \$20,000 to fund a two-bed sleeping room in the center will receive a name plaque, and a permanent plaque with the donor's name will be displayed in the Ubuntu Gathering Center. Other naming possibilities are available. Churches and individuals can name one of the two wings or the central lounge (\$100,000), reception area (\$50,000), or the kitchenettes/tea rooms (\$30,000). Naming rights to the Ubuntu Center are also available.

We invite you to complete the following form and mail to GR District Office, West Michigan Conference Center, 11 Fuller Ave. SE, Grand Rapids, MI 49506.
